Title: Conflicts of Interest Policies and Procedures by Futures Commission Merchants and Introducing Brokers (OMB Control No. 3038-0078). This is a request for an extension of a currently approved information collection.

Abstract: On April 3, 2012, the Commission adopted Commission regulation 1.71 (Conflicts of interest policies and procedures by futures commission merchants and introducing brokers)² pursuant to section 4d(c)³ of the Commodity Exchange Act (“CEA”). Commission regulation 1.71 requires generally that, among other things, futures commission merchants (“FCM”)⁴ and introducing brokers (“IB”)⁵ develop conflicts of interest procedures and disclosures, adopt and implement written policies and procedures reasonably designed to ensure compliance with their conflicts of interest and disclosure obligations, and maintain specified records related to those requirements.⁶ The Commission believes that the information collection obligations imposed by Commission Regulation 1.71 are essential (i) to ensuring that FCMs and IBs develop and maintain the conflicts of interest systems, procedures and disclosures required by the CEA, and Commission regulations, and (ii) to the effective evaluation of these registrants’ actual compliance with the CEA and Commission regulations.

With respect to the collection of information, the CFTC invites comments on:

- Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have a practical use;

² 17 CFR 1.71.

³ 7 U.S.C. 6d(c).

⁴ For the definition of FCM, see section 1a(28) of the CEA and Commission regulation 1.3. 7 U.S.C. 1a(28) and 17 CFR 1.3.

⁵ For the definition of IB, see section 1a(31) of the CEA and Commission regulation 1.3. 7 U.S.C. 1a(31) and 17 CFR 1.3.

⁶ See 17 CFR 1.71.

- The accuracy of the Commission's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Ways to enhance the quality, usefulness, and clarity of the information to be collected; and
- Ways to minimize the burden of collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology; *e.g.*, permitting electronic submission of responses.

You should submit only information that you wish to make available publicly. If you wish the Commission to consider information that you believe is exempt from disclosure under the Freedom of Information Act, a petition for confidential treatment of the exempt information may be submitted according to the procedures established in § 145.9 of the Commission's regulations.⁷

The Commission reserves the right, but shall have no obligation, to review, pre-screen, filter, redact, refuse or remove any or all of your submission from <http://www.cftc.gov> that it may deem to be inappropriate for publication, such as obscene language. All submissions that have been redacted or removed that contain comments on the merits of the information collection request will be retained in the public comment file and will be considered as required under the Administrative Procedure Act and other applicable laws, and may be accessible under the Freedom of Information Act.

⁷ 17 CFR 145.9.

Burden Statement: The Commission is revising its estimate of the burden for this collection to reflect the current number of registered FCMs and IBs. Accordingly, the respondent burden for this collection is estimated to be as follows:

Estimated Number of Respondents: 1,244.

Estimated Average Burden Hours Per Respondent: 44.5.

Estimated Total Annual Burden Hours: 55,358.

Frequency of Collection: As applicable.
